

Produced by WEEK-TV, the half hour newscast titled NEWS 25 AT 9PM ON MY59 airs Monday through Friday each week. WAOE-TV broadcasts over the air on Channel 59 and can be found on Comcast Cable channel 11 and channel 914 and is available on many other cable systems in the Peoria-Bloomington area. The 9pm format focuses on local and regional news.

Research has shown that many people in the hard-working Midwest, such as those working third shift as well as those who prefer to be in bed earlier than 10pm, prefer the convenience of local news at 9pm. NEWS 25 AT 9PM ON MY59 allows viewers access to the area's dominant and most-watched news operation at a more convenient time based upon their schedule. This newscast includes material gathered by the entire WEEK News 25 team of anchors, reporters and photo-journalists giving Central Illinois the full benefit of WEEK's award-winning news operation.
